

**Welcome to Our Choir Family
at the Cathedral Church of St. Paul
138 Tremont Street, Boston!**

What does it mean to join our choir community?

- Joining our choir isn't just about singing; it's about joining a team. We lead by singing. At the core is a group of young, talented singers known as Choral Scholars who understand the worship life at the Cathedral. Our volunteers are essential in expanding this vibrant group
- Sight singing is an essential skill that we nurture within our choir. Don't be daunted if your sight singing skills are a bit rusty; with practice and patience, your skills will come back to life.
- We sing traditional Anglican music as well as music from other traditions. The guide is the three-year Revised Common Lectionary.
- On Sundays we come together to rehearse at 8:30 am for the 10 am service of Holy Eucharist. There are 4-5 additional rehearsals arranged separately.
- We sing each Sunday as well as services on Christmas Eve, Ash Wednesday, and Holy Week. We also have midweek services with music during Advent and Lent.
- There are two concerts on December 16th and April 13th, and a Christmas play on December 23rd. All of these events take place at 4 pm
- The annual Messiah Sing is a popular civic event. This year the Messiah Sing is on Wednesday, December 20th. Scores are provided.

Singing in our choir requires an in-person audition. You may contact me at lmundinger@diomass.org.

Come join us!

Musically yours,
